Join the American Gladiolus Society

This is the fastest growing flower society in the world. We now have 4,000 members and hope to make it 10,000 by next August.

All members receive the "*Bulletin*," a monthly magazine devoted solely to the Gladiolus—any number of which is worth the dues for the whole year, which is \$2.00.

Also members get 5% off on the bulbs they buy from members of the Association.

As a special inducement for people interested in Gladiolus to join, Kunderd is offering a bulb of a new undisseeded variety named "Queen of Orange" which he values at \$10.00, for every new member. This is for new members only. If you are already a member you can afford to give a membership to some interested friend in order to get the bulb.

This offer is good only until February 10th. The money must positively be in my hands by that date. So you had better write a check right now before you forget it. This is a wonderful chance. *Don't miss it.*
